SUBJECT: CLASS ATTENDANCE

This is to notify students that the Academic Staff strike earlier planned to start today the 30/08/2021 has been called off by both the national UASU office and the MMU Chapter level. Academic activities including teaching therefore goes on uninterrupted.

Please note that this semester according to the approved Calendar was reduced to thirteen (13) weeks. As of today we are on the seventh (7th) week of the Semester, while your end of semester examinations will start on 4th October 2021. You are therefore required to attend classes without fail so that you can fulfil the requisite class attendance rule of at least 80% to be eligible to sit for the examinations.

Meanwhile, students who had not registered for courses this Semester should do so since the portal is open.

Note that your marks will not be captured by the ERP if you do not register or pay fees by the deadlines earlier communicated. Besides, course registrations must be approved by the CoDs. All late registrations must therefore be reported to respective CoDs by individual students to ensure they are approved.
