### RE: HELB ALLOCATIONS

We shall begin the process of reconciling HELB disbursements and allocations beginning next month July 2021. In this regard, we request all HELB sponsored students to check and verify that every batch allocated to them, as tuition fee (may be confirmed using HELB disbursement report/statement obtained at huduma centre), has been posted to their individual fee statements (obtained from the university online portal).

In case there is any unposted tuition fee batch(s), please visit students finance office in good time with the said batch number(s) for assistance. Kindly take note that any unutilized funds at the end of the reconciliation process shall be refunded back to HELB.

Please be advised.
